**2,500+**
People Across Our Ecosystem

* Verification Note: Within the Group's energy & industrial arm (START WALK), operational heritage extends back to 2002 — representing 24+ years of specialized field execution.

STRATEGIC COMPASS · VISION & MISSION

# Vision, Mission, Strategic Pillars & Core Values

## Our Vision

**To stand as a premier regional business group connecting key markets and scaling high-performing platforms that generate enduring economic value across vital real-economy sectors.**

## Our Mission

**To build and operate specialized platforms in real estate, food distribution, mobility, and petroleum supply — delivering dependable quality, transparent terms, and mutually rewarding long-term partnerships.**

### BUILD

Establish and scale sector-focused commercial platforms backed by modern operational systems.

### OPERATE

Manage supply chains, fleets, and assets with rigorous reliability, safety, and on-time delivery.

### INVEST

Deploy capital and capabilities into tangible, high-conviction opportunities built for lasting value.

01

### Disciplined Execution

Translating vetted opportunities into measurable outcomes on schedule and to specification.

02

### Radical Transparency

Complete clarity and accountability across pricing, documentation, and operational reporting.

03

### Curated Quality

Pre-vetting every property, food product, vehicle, and industrial supply source prior to market.

04

### Enduring Partnerships

Cultivating multi-year commercial relationships anchored in mutual trust and shared growth.

OUR BUSINESS ECOSYSTEM · GROUP STRUCTURE

# Four Focused Sectors. One Institutional Standard.

SAWA UNITED operates through four specialized platforms spanning core pillars of the real economy — creating commercial, logistical, and operational synergies across markets.

**SAWA UNITED GROUP**

Strategic Governance · Shared Standards · Cross-Market Network

**01** sawa-united.net

## Real Estate & Property Investment

SAWA UNITED Real Estate

Curated residential, commercial, and land opportunities in Egypt and Morocco with end-to-end advisory through handover.

**02** sawafood.net

## Food Supplies & FMCG Distribution

SAWA FOOD & Sawa Select

Regional sourcing and wholesale network connecting 120+ trusted food brands with 1,400+ retail partners across 5 markets.

**03** masharycar.net

## Automotive & Mobility Solutions

MASHARY CARS

Modern daily, monthly, and corporate car rental fleet across Egypt, UAE, and Morocco featuring zero-upfront Pay on Delivery.

**04** startwalk.net

## Petroleum Products & Industrial Supply

START WALK

EGPC-registered petroleum & lubricants operator established in 2002, serving 384+ clients across Egypt and export markets.

**Ecosystem Synergy: Energy & lubricants power fleets & industry → Logistics & mobility connect regional food trade → Real estate anchors commercial & residential assets.**

SECTOR 01 · REAL ESTATE & INVESTMENT

# Real Estate & Property Advisory — SAWA UNITED

sawa-united.net

> "We select the property before we present it — your home & investment in Egypt, even from abroad."

SAWA UNITED's real estate platform delivers a structured, transparent acquisition journey. Every residential, commercial, and land opportunity is vetted prior to listing, supported by dedicated advisors guiding domestic and international buyers through handover.

- ✦ Standalone villas & gated residential community acquisitions
- ✦ Premium apartments & turnkey serviced apartments
- ✦ Prime-frontage commercial spaces & administrative offices
- ✦ Strategic investment land plots in high-appreciation corridors
- ✦ Remote cross-border advisory, comparison & scheduled site visits

## Client & Investor Value Proposition

Eliminates market noise through pre-verified listings, structured comparative data, and single-point advisory support from initial inquiry to final handover.

| | |
|---|---|
| Egypt & Morocco | Active Real Estate Platform Markets |
| 5 Prime Hubs | New Cairo · New Capital · North Coast · Alexandria · Maadi |
| 4-Step Journey | Discover → Compare → Consult Advisor → Visit & Handover |

SECTOR 02 · FOOD SUPPLIES & DISTRIBUTION

# Regional Food Distribution — SAWA FOOD

sawafood.net

> "Better food, brought closer — connecting trusted makers to regional markets."

Sawa Food operates an integrated regional sourcing, wholesale, and retail distribution ecosystem across MENA, partnering directly with committed manufacturers while offering its curated flagship line, Sawa Select.

- ✦ Bulk wholesale food & fresh produce supply for commercial buyers
- ✦ Multi-country regional brand distribution & market entry execution
- ✦ Direct retail supply coverage across 1,400+ partner stores & outlets
- ✦ Manufacturer onboarding to scale high-quality food products across MENA
- ✦ Sawa Select line: Premium Black Tea, Pure Ghee & Long Grain Rice

## Partner & Market Value Proposition

Protects product continuity, shelf availability, and quality consistency through vetted manufacturing partners and responsive end-to-end regional logistics.

| 250+ | Curated Food & Staple SKUs |
| 120+ | Trusted Food Brand Partners |
| 1,400+ | Retail Partners Across 5 Markets |

SECTOR 03 · AUTOMOTIVE & MOBILITY

# Fleet Rental & Corporate Mobility — MASHARY CARS

masharycar.net

"Move with confidence — modern individual & corporate fleets with frictionless booking."

Mashary Cars provides daily, monthly, and corporate vehicle rental solutions across Egypt, the UAE, and Morocco, pairing a diverse late-model fleet with transparent pricing and instant WhatsApp confirmation.

- Daily & monthly vehicle rentals for executives, residents & travelers
- Corporate fleet solutions, staff transport vans & executive buses
- Full category spectrum: Economy, Sedan, Family, SUV, Luxury & Performance
- Bespoke sourcing for special-request vehicle models upon inquiry
- Flexible multi-destination pickup & optional chauffeur service

## Client & Corporate Value Proposition

Zero upfront online payment risk via Pay on Delivery, transparent daily/monthly rates, verified vehicle categories, and rapid human confirmation.

| | |
|---|---|
| 3 Countries | Active Fleet in Egypt · UAE · Morocco |
| 6 Categories | Economy · Sedan · SUV · Family · Luxury · Van & Bus |
| Pay on Delivery | Zero Upfront Online Payment Required |

SECTOR 04 · PETROLEUM & INDUSTRIAL SUPPLY

# Lubricants, Fuel & Industrial Services — START WALK

startwalk.net

"Trusted since 2002 — Registered with the Egyptian General Petroleum Corporation (EGPC)."

Established in 2002 as an Egyptian LLC registered with EGPC, START WALK specializes in petroleum product transport, local and international lubricant oil distribution, facility maintenance, and industrial site supplies across Egypt and African export markets.

- On-site bulk fuel supply & equipped petroleum/heavy-equipment transport fleet
- Mobile Fuel Units engineered to minimize work-site downtime and operating cost
- Engine, industrial, heavy-equipment & specialty oils plus heavy-duty filters
- Fuel pump supply, petroleum facility maintenance & storage tank cleaning
- Contracting & road-works supplies: sand, gravel & asphalt mixtures

## Industrial & B2B Value Proposition

Single-source industrial partner combining EGPC-registered compliance, 90M+ liters of proven delivery volume, technical lubrication support, and strict HSE discipline.

| | |
|---|---|
| 90M+ Liters | Cumulative Petroleum & Lubricant Volume |
| 25+ Trucks | Equipped Fleet Serving 384+ Clients |
| 24+ Years | Operating Since 2002 + 3 Export Markets |

CAPABILITIES & EXECUTION · SCALE & OPERATING MODEL

# Quantified Operational Scale & Five-Stage Execution Model

## Verified Operational Capacity Benchmarks

## 5-Stage Institutional Execution Lifecycle

**01 — Opportunity Vetting**

Rigorous assessment of market demand, property credentials, manufacturer quality, or industrial site specifications.

**02 — Solution Structuring**

Tailored commercial and technical scoping with transparent pricing aligned to volume, duration, or investment goals.

**03 — Specialist Routing**

Clear contractual alignment and immediate assignment to the dedicated sector team responsible for execution.

**04 — Disciplined Delivery**

Controlled fleet dispatch, supply-chain logistics, or site handover adhering to strict timelines and safety protocols.

**05 — Post-Handover Growth**

Ongoing technical support, account management, and replenishment turning initial transactions into lasting partnerships.

COMPETITIVE ADVANTAGE · WHY SAWA UNITED?

# Why Leading Enterprises & Investors Partner With Us

Five institutional differentiators set SAWA UNITED apart from fragmented single-market operators:

01

### Experienced Multi-Sector Leadership

15+ years of group growth combined with 24+ years of industrial energy roots enable superior cross-cycle resilience and judgment.

02

### Connected Regional Markets & Capabilities

Active commercial corridors linking Egypt, the GCC, North Africa, and Sub-Saharan export destinations unlock rapid cross-border scaling.

03

### Long-Term Value & Investment Mindset

Capital and operational decisions prioritize durable asset value, supply continuity, and sustainable returns over short-term gains.

04

### Responsible, Transparent Operations

Unambiguous pricing, pre-verified properties, EGPC regulatory registration, and customer-first terms such as Pay on Delivery.

05

### Partnerships Engineered to Last

High-retention B2B relationships across 1,400+ retailers, 120+ brands, and 384+ industrial clients built on consistent fulfillment.

ECOSYSTEM TRUST · PARTNERS, CLIENTS & ACCREDITATIONS

# Institutional Credibility & Partner Network

In strict adherence to corporate disclosure standards, we present verified registrations and partner ecosystem metrics alongside reserved slots for authorized client logos.

Regulatory Registration

### Egyptian General Petroleum Corp. (EGPC)

START WALK LLC is officially registered with EGPC since 2002 for petroleum transport, lubricants, and industrial services.

Manufacturing & Brand Network

### 120+ Food Brands & Global Lubricant Makers

Direct distribution alliances with vetted regional food producers and local/international lubricant oil manufacturers.

Active Commercial Footprint

### 1,400+ Retail Partners I 384+ Industrial Clients

Proven fulfillment across supermarkets, wholesalers, industrial factories, contracting sites, and corporate fleet accounts.

## Reserved Showcase Slots — Authorized Partner & Corporate Client Logos (To Be Populated Upon Release Approval)

GOVERNANCE & STANDARDS · QUALITY & COMMITMENT

# Uncompromising Quality, HSE & Operational Integrity

Shared institutional standards govern every platform within SAWA UNITED to safeguard partner trust and operational continuity:

### Pre-Market Vetting & Curation

Every real estate asset, food SKU, and fleet vehicle undergoes strict quality, documentation, and suitability verification prior to offering.

### Health, Safety & Environment (HSE)

Strict adherence to 'Safety First' protocols, environmental protection, and resource efficiency across fuel transport, storage, and industrial sites.

### Regulatory & Legal Compliance

Operations anchored by registered legal entities, including official registration with the Egyptian General Petroleum Corporation since 2002.

### Commercial Clarity & On-Time Fulfillment

Transparent pricing structures, responsive end-to-end logistics, and accountable client support across every transaction.

**Reserved Institutional Slot — Quality & Compliance Certifications**

[ Reserved space for authorized ISO / Food Safety / HSE / Corporate Registration certificate numbers & seals upon formal issuance ]

STRATEGIC ALLIANCES · COOPERATION OPPORTUNITIES

# Structured Pathways for Commercial & Investment Collaboration

We welcome institutional partners, investors, manufacturers, and corporate buyers across four dedicated engagement tracks:

### 01 Real Estate Co-Investment & Development

Joint ventures, project marketing mandates, commercial off-take, and curated portfolio acquisitions with developers and investors in Egypt and Morocco.

### 02 Regional Food Distribution & Brand Onboarding

Regional distributor appointments, bulk wholesale supply agreements, retail chain partnerships, and manufacturer onboarding into Sawa Food's 5-market network.

### 03 Industrial Fuel, Lubricants & Export Supply

Long-term site fuel contracts, Mobile Fuel Unit deployment, industrial lubrication supply, tank maintenance, and regional export distribution partnerships.

### 04 Corporate Mobility & Fleet Outsourcing

Dedicated monthly and annual corporate vehicle leasing, executive transport, and multi-destination mobility programs across Egypt, UAE, and Morocco.

**Call to Action: Share your investment mandate, distribution inquiry, or supply requirement — our specialist unit will respond directly.**
